

COMPLIMENATARY WEBINAR

- *Would you like to know how our single screw mixes 8 times better than a twin screw?*
- *Would you like to understand why our batch mixer is 10 times better than a mixing bowl ?*
- *Would you like to know how our single screw can process inexpensive RPVC powder at 180 rpm?*
- *Would you like to understand modern principles of extension mixing?*
- *Would you like us to prove to you that our mixing is 1,000 times better than other singles?*
